

PRIVACY POLICY

Published on December 26, 2017

Please read it carefully!

This Privacy Policy governs how Allabout.me Tokens Ltd, a company registered in Seychelles (hereinafter referred as "**Distributor**") collects, uses and discloses the personal data and other information, when any person visits or uses the website <http://all.me> (collectively with all its sub-domain pages referred as the "**Website**") and/or purchases ALL.ME Tokens (hereinafter referred as "**ME**" and/or "**ME Tokens**"), or when otherwise interacts with Distributor and the Website.

By using the Website and/or ME Tokens according to [ALL.ME TOKENS SALE TERMS](#) hereby any user of the Website and/or relevant purchaser (acquirer) of ME Tokens (further referred as the "**Person**") agrees with this Privacy Policy of Distributor.

Distributor reserves its right to make changes to the Privacy Policy at its own discretion. Person takes responsibility for an acknowledgement with any updated version of the Privacy Policy that may be published at the Website.

PROCESSING AND STORAGE OF PERSONAL DATA

1. By accepting this Policy, Person gives his/her/its consent to Distributor for collection, storage and processing of personal data. Personal data shall be considered as any information (data) related to a person (entity) directly or indirectly defined or determined for an individual/entity.

Distributor may collect from any Person, use and disclosure personal identification information only if such Person voluntarily provides such information to Distributor subject to this Policy. For avoidance of any doubt every information (data) transfer from Person to Distributor shall be considered as actions performed according to this Policy.

2. Person gives his/her/its consent for processing of personal data by Distributor for token purchase purposes, the Website administration and also for newsletters or advertising purposes. Distributor may collect personal data and relevant information from Person in a variety of ways and circumstances. Distributor shall be entitled to combine such data collected in the course of Person's interaction with different sections of the Website with any other relevant available information.

Distributor may disclose such personal data and information to its affiliates and group companies as well as in response to relevant request(s) for information, if Distributor believes that such disclosure is in accordance with, or required by, any applicable laws, regulations or legal procedures.

3. The following operations during processing of personal data: collection, storage, clarification, transfer, blocking, removal, destruction shall be performed only for the purposes described in the clause 2 hereby.

4. If Distributor provides personal data to third parties according to relevant agreements with them but for performance of its obligations to Persons, then any such provision shall not be considered as violation hereby.
5. Personal data is stored and processed till completion of all necessary procedures or liquidation of Distributor.
6. Consent may be withdrawn by Person or his/her/its representative by sending a written application to Distributor to the following e-mail tokens@allabout.me subject to reservations in relation to Me Tokens purchase events and in other cases required by applicable laws, regulations or legal procedures.
7. Person accepts the cookies policy used by Distributor, and agrees to receive information about the IP-address and other information about its activity at the Website. This information shall not be used to identify the Person.
8. Distributor while processing personal data shall take all necessary and sufficient technical and organizational measures to protect personal data against unauthorized access, as well as other illegal actions in relation to such personal data. Meanwhile any transmission of personal data or information (including any kind of communications) over the Internet or other publicly accessible networks is not one hundred percent secured. Distributor is not liable for the security of any data Person is transmitting over the Internet, or third-party content.
9. Any transactions on the blockchain networks are subject to publicity and Distributor may not exclude transaction data from the blockchain technology.

CHOICE OPTION

To maintain confidentiality Person shall not provide Distributor with any information that may lead to some inconvenience. However, usage of the Website is impossible without providing some personal data that might be mandatory.

COOKIES USAGE

Distributor uses cookies to record Person's visits to improve the Website's work. Cookie is a small file that is sent to the user's browser via a web server, and can be recognized only by the server that sent it. Such files can't be used in as executable programs or for viruses implantation.

Most browser settings allow you to accept cookies by default. Person can configure the browser to receive notice about the cookie. In such case, the Person can decide whether to accept or reject it. For some sites that require authentication, cookies are required. Person who rejects cookies at the Websites is most likely will not benefit from all its functionality.

Distributor uses cookies to count visits to the Website and its web server automatically captures the IP / Internet address of Person's computer. This type of data is not allows identify visitors, i.e. his/her/its anonymity will be preserved, unless he/she/it doesn't provide Distributor with information by himself/herself/itself.

A cookie is not removed from Person's computer as long as the Person does not log-out, for which a click on the link "Exit" shall be done.

CLAIMS FOR CONFIDENTIALITY

If Person has an opinion that Distributor hasn't fulfilled its obligations under the compliance with this Privacy Policy, Person can send a complaint letter using email tokens@allabout.me.

In such letter we kindly ask to describe in most detailed manner how Distributor, by the Person's opinion, has violated the Privacy Policy. All complaints will be considered properly.

If Person does not agree with our Privacy Policy, we not recommend him/her/it to use the services of the Website.
